

GLIMS Journal of Management Review and Transformation **Call for Papers**

Vol. 3.2

2 issues per year

GLIMS Journal of Management Review and Transformation (JMRT) invites manuscripts that explore novel managerial ideas and insights with the potential to catalyze businesses and organizations. We seek original manuscripts that are theoretically and methodologically robust, offering clear managerial implications for business managers and leaders. Our goal is to facilitate the creation of new knowledge in the field of business management and its practical applications among both practitioners and researchers.

Published by Sage Spectrum and indexed by J-Gate, JMRT is committed to publishing a wide variety of articles showcasing the latest research and innovation. We prioritize contributions that emphasize management implications across multiple disciplines. We welcome high-quality papers from diverse areas, including but not limited to:

- General Management
- Entrepreneurship
- Engineering Management
- Artificial Intelligence and Machine Learning in Management
- Management Information Technology
- Project Management
- Knowledge and Innovation Management
- Business and Process Management
- Organizational Management & Leadership
- Operations and Innovation Management
- Human Resource Management
- Strategic Management
- Marketing Management
- Health Care Management
- Other management-related topics may be reviewed for acceptance

<https://mrt.greatlakes.edu.in/>

Manuscripts undergo a rigorous double-blind peer review process. The journal's editorial board retains the right to make all decisions regarding the acceptance or rejection of an article for publication.

Submission Details:

Before submission, contributors are strongly encouraged to review the Manuscript Submission Guidelines provided on the journal's website <https://mrt.greatlakes.edu.in/>

Submissions should be made online via <https://peerreview.sagepub.com/mrt>

Submit your manuscript today to contribute to the advancement of management knowledge and practice!
